

# Vacancy: Marine Park Manager

## Job description

Sint Eustatius National Parks Foundation (STENAPA) is currently accepting applications for the position of Marine Park Manager. STENAPA is a small nature conservation foundation on the island of Sint Eustatius in the Caribbean Netherlands. As the Marine Park Manager, you are responsible for developing and implementing the policy of the management of the marine park on St Eustatius, as well as the sea turtle program. You will manage and coach the employees on daily tasks as well as work hands-on in the field. You will also take care of the preparation and implementation of annual and project plans. You will maintain contact with various organizations and stakeholders, and you will participate in project groups.

## Requirements

Relevant MSc in nature management/conservation biology/marine biology or similar, or BSc and equivalent experience in nature management  
Experience in the monitoring of marine species  
Familiar with the Caribbean marine fauna and flora  
Experience in managing a small team of around 3-5 people  
Experience in leading and executing small and medium projects  
Willing and able to work hands-on in the field  
Excellent management skills and a team player  
Fluent in English, and preferably also Dutch  
Able to live and work in a remote location (experience preferred)  
Flexibility and willingness to work irregular hours, during the week, at weekends, and at night  
Scuba diving certificate (minimum PADI Divemaster or equivalent)  
Good physical condition (able to work under all weather conditions and perform physical activity during extended periods of time)

Sint Eustatius is a small (10 sq. miles, 26 sq km. pop 3,250) island in Eastern Caribbean. STENAPA is responsible for the management of the National Parks Boven/Quill, the Marine Park, and the Botanical Garden. The organization also works on the conservation of flora and fauna outside of the National Parks.
